

Bellingen Weekend 18th – 20th February

Grade 1 with some gravel roads.

Friday 18th February

When you leave is optional depending on your commitments. Basic plan is to meet Friday afternoon at the Showground in Bellingen. We will pre-book book sites.

The O'Briens are leaving around 11am and lunching at Anchors Wharf, Urunga.

Anyone wishing to join us for lunch let us know so we can make the appropriate reservation. Anchors Wharf is renowned for their amazing seafood and seafood platters. If coming bring your appetite. (Seafood platter for 1 \$99.90 for 2 \$199.90 and these must be pre-ordered.) Have attached a copy of their lunch menu in case anyone wants to check it out.

We'll then meet at the showground on Friday late arvo., This will allow people to leave whenever it suits them.

Prices are Unpowered \$25 per couple or \$15 a single per night, \$5 additional per child If anyone requires power let me kw as is limited. We have been allocated an area to ourselves all with no power.

Friday night we can eat at camp or walk in to town and have a meal at either of the two pubs.

Saturday 19th February

Saturday morning is free for people to attend the Bellingen Markets. Browse the many stalls and delectable delights on offer. For those who haven't been to the markets it is an experience in itself. Also visit the Emporium in the main street plus the Yellow Shed and the Old Butter Factory (a nice place for lunch)

After lunch we will meet at camp then take a drive out to Glennifer and the Promised Land for some beautiful mountain scenery and crystal clear mountain streams. We'll then head to Valery through the forest and come out near Raleigh on the Bellinger River. There is a lovely winery that specialises in white port that we could stop at for a sample or just a coffee. We can visit the small towns of Repton, Mylestom and Urunga.

Dinner on Saturday night is optional, either a BBQ, or the pub depending on how we feel.

Sunday 20th

Again optional, we can pack up and go for another scenic drive and find a nice place for brunch or lunch. If anyone is keen we could do a long table lunch at the Winery at Raleigh before heading home. This would need to be booked ahead so put your hand up if iso we interested so we can organise.

Travel home at your leisure.
